Crown Scientific Research in Education (CSRE) is an open access journal that provides information, education, and publications to stimulate your scholarly interests and services that contribute to your professional development. All manuscripts are peer-reviewed and published monthly.

One key request of researchers across the world is unrestricted access to research publications. Open access journals are scholarly journals that are available online to the reader "without financial, legal, or technical barriers other than those inseparable from gaining access to the internet itself. It also enhances indexing, retrieval power and eliminates the need for permissions to reproduce and distribute content. CSRE is fully committed to the Open Access Initiative and will provide free access to all articles as soon as they are published.

Call for Papers

Crown Scientific Research in Education (CSRE) is calling on authors to submit their manuscript for publication in our unique journal.

There are three types of paper

Regular articles: These should describe new and carefully confirmed findings, and experimental procedures should be given in sufficient detail for others to verify the work. The length of a full paper should be the minimum required to describe and interpret the work clearly.

Short Communications: A Short Communication is suitable for recording the results of complete small investigations or giving details of new models or hypotheses, innovative methods, techniques or apparatus. The style of main sections need not conform to that of full-length papers. Short communications are 2 to 4 printed pages (about 6 to 12 manuscript pages) in length.

Review: Submissions of reviews and perspectives covering topics of current interest are welcome and encouraged. Reviews should be concise and no longer than 4-6 printed pages (about 12 to 18 manuscript pages). Reviews are also peer-reviewed.

Manuscripts should be submitted to education@crowjournal.org or cre.crownjournals@gmail.com for publication. Authors will be notified whether or not their manuscript has been accepted by our editors for publication within 1 WEEK. Manuscripts will be published immediately after acceptance in the next issue.
