

Call for post-doc in Epigraphy at Tel Aviv University – First Temple Hebrew ostraca:

The Digital Epigraphy Group at Tel Aviv University (on members of the group and its publications see: <http://www-nuclear.tau.ac.il/~eip/ostraca/Home/Home.html>) is seeking

an epigrapher (First Temple Hebrew) for a two-year post-doc. (A Ph.d. candidate with proven expertise in epigraphy can also be considered.) The epigrapher will take part in the decipherment of inscriptions and their publication, based on new multi-spectral images of First Temple ostraca. The selected individual will be required to live in Israel.

Beginning of the post-doc grant: any time starting November 1st 2018 but no later than March 1st 2019.

Candidates should write to Shira Faigenbaum, at: shirafaigen@gmail.com, with a CV and a short description of their expertise in Hebrew epigraphy. Deadline for submission of applications: September 30th 2018.
