### **Researcher in Assyriology**

Uppsala University is a comprehensive research-intensive university with a strong international standing. Our mission is to pursue top-quality research and education and to interact constructively with society. Our most important assets are all the individuals whose curiosity and dedication make Uppsala University one of Sweden's most exciting workplaces. Uppsala University has 42,000 students, 7,000 employees and a turnover of SEK 6.7 billion.

Research and teaching at the Department of linguistics and philology covers approx. twenty different languages and linguistic subjects as well as computational linguistics. These include many of the important languages and cultures in the Middle East, to which can be added Hindi, Swahili, Chinese, Ancient Greek and Latin. General Linguistics and Computational Linguistics are also part of the department.

Duties: research and research-related activities in Assyriology, with placement within the research project "Memories for Life: Materiality and Memory of Ancient Near Eastern Inscribed Private Objects". Development of and work with a GIS database and studies of delimited material categories within the framework of the project. Administrative duties within the project are included.

Requirements: Completed doctoral degree or an equivalent degree with specialisation toward Assyriology or Near Eastern Archaeology. Documented merits for work with cuneiform languages and Near Eastern Archaeology and experience within the field of Digital Humanities.

Additional qualifications: Good familiarity with relational database applications such as FileMaker Pro, geographic information systems such as ArcGIS, and programs for graphic design and layout such as Adobe Creative Suite.

Application:

Application letter, including a brief research proposal

CV

Copies of relevant educational certificates

A letter of recommendation

Uppsala University aims for gender balance and diversity in all activities in order to achieve a higher quality at all levels of the organization. We therefore welcome applicants of any gender and with different birth background, functionality and life experience.

Salary: Individually negotiated salary.

Starting date: 2018-06-01 or by agreement

Type of position: Temporary position until 2019-02-28 with a possibility for extension.

Working hours: 100 %

For further information about the position please contact  
Senior lecturer Jakob Andersson, tel +46 (0)18-471 2097, [Jakob.Andersson@lingfil.uu.se](mailto:Jakob.Andersson@lingfil.uu.se).

You are welcome to submit your application no later than 22 March 2018, UFV-PA 2018/320.
