

Apply for a fellowship at the W.F. Albright Institute of Archaeological Research for the 2017-2018 academic year, and spend one to nine months in Jerusalem! [Check out our available fellowships here!](#)

The deadline for most fellowships is October 15th, 2016, with the exception of the Glassman Holland Research Fellowship and the Noble Group Fellowships (January 15th, 2017), as well as the fellowships sponsored by the Bureau of Educational & Cultural Affairs (rolling basis). All nationalities are eligible for at least some of our fellowships. Please note that any fellowships open to European citizens will continue to include those of the United Kingdom.

We are currently in the process of upgrading our application system, which will not be available until September 2016. In the meantime, you can prepare your materials according to our [application guidelines](#) and thus be ready to submit by the deadline.
