

Dear NELC,

I write to announce the call for applications for our 2019-2020 cohort of Pedagogy Fellows at the Derek Bok Center for Teaching and Learning. Graduate students in your department may apply to be \*either\*

- A **Pedagogy Fellow in NELC**, in which case they will devote their time to working closely with students in your department, teaching your pedagogy course, etc.; or
- A **Bok Pedagogy Fellow based in the Bok Center** who will work as a teaching consultant on programming and initiatives that span multiple departments.

Both positions are ordinarily compensated at a rate equivalent to teaching one section per semester. Applications are due by 5:00 PM on **Monday, February 11**. More information about the positions can be found on the [Pedagogy Fellows page](#) of our website.

With regard to the first position, based in your department, we will gather all submitted applications and forward them to you so that you may rank/nominate your preferred candidate. We anticipate forwarding them soon after the applications close on **February 11** and will ask you to return a nomination form to us no later than **March 8**, so that we may interview your selected candidate in time to make formal offers on **April 8**.

Sincerely,  
Rebecca Miller Brown
