

Greetings all,

I hope all is well. There is an opening at my institution, Old Dominion University, in the Political Science department and the Graduate Program in International Studies at the Associate Professor level. They are looking for a specialist in Middle Eastern Politics.

Here is the ad <https://jobs.odu.edu/postings/8713>

Please spread the word. ODU is a great place to work and a wonderful spot to live. I would be happy to answer any questions as best I can. I am not on the committee so don't have any details on the position but can help convince you that this is the place to be if you'd like.

Many thanks!
